

HOCKEY OPPORTUNITY

We would like to thank all players, coaches and sponsors for making our 7th season of 4 on 4 hockey a success. We were able to take a wide range of athletic ability and make a fun environment for all involved.

The opportunity for the player to play a non-contact game at a high tempo pace, without the pressure to be at your best on every shift was great to watch. Seeing smiles on the players faces before and after they hit the ice, is what this game is all about.

We plan on being bigger and better this coming spring/summer and look forward to seeing the returning players as well as any new players who would like to join a winning experience.
